ABOUT MONTESSORI OUTLET

The goal at Montessori Outlet is to provide teachers and parents with premium quality Montessori materials at affordable prices. Since we sell materials directly to our customers, avoiding any additional retail mark-up, we can pass any savings directly to our customers.

To ensure the quality of our materials, we've invited Mr. Bert Nienhuis (former Nienhuis Montessori CEO) to be our Corporate Advisor on products development. All of our premium-quality materials are made based on the authentic blueprints approved by Mr. Nienhuis. We are the only company offering Montessori materials that are 99% compatible with Nienhuis.

Our subsidiary factory in China successfully earned the UKAS ISO 9001 Quality Control Certification and ISO 14001 Environmental Management Certification from the International Standards Organization (ISO) accredited by United Kingdom National Quality Association. All of our products are tested at TUV German Rheinland Laboratory, and have passed all tests under the USA and European Toy Safety Standard. We may be the only company in market with products in compliance with US Federal CPSIA-HR4040 Children Products Safety Standards.

With the opening of our new 250,000 sq-ft factory in China and 27,000 sq-ft distribution center in USA, we've become one of the two largest Montessori materials suppliers in the world. We believe that we offer the very best value: premium quality materials at affordable prices.

ABOUT OUR MATERIALS & FURNITURE

All Montessori Outlet premium materials are made from brand new raw materials imported from Europe and North America to our subsidiary factory in Shanghai, China. The imported raw materials include Beechwood from Germany, Baltic birch plywood from Russia, etc. All of our materials are brand new and have never been used. They are safe and durable.

All Montessori Outlet premium materials are tested by the TUV German Rheinland Laboratory, and have passed all tests based upon European Union and United States Toy Safety Standards. Our factory may be the only one in the industry implementing Water Based Finishing technology. Water Based Finishing is currently the most advanced painting technology which is strongly promoted by the European Union because it is considered to be Heavy Metal chemical free (non-toxic) and environmentally friendly.

ORDERING FROM MONTESSORI OUTLET

Montessori Outlet products may be ordered by phone, mail, fax, or through our website. Methods of payment that are acceptable include major credit cards and customer check (subject to clearance). Other payment arrangements such as Line of Credit are subject to prior approval by Montessori Outlet.

* SP-1303 Dream Package is created based on the survey results from AMS/AMI Teacher Trainers. All items listed in this package are acknowledged as necessary and desirable items for a Montessori Classroom with children aged 3 to 6 years old. The package price reflects an additional 6% discount off our normal already low prices.
